The notes of the meeting held on 15 March 2017 were agreed and signed as minutes.

APM/18/03/02 Chairman's Report

Following a presentation on Neighbourhood plans at the last Parish Meeting, the Parish Council set up a committee to gauge interest from residents in completing a Neighbourhood Plan for Faldingworth. The committee concluded that there was insufficient interest from residents to be able to start the process.

Hutton Way has now been completed and we welcome all the residents to Faldingworth. Highways issues are abundant in the village. The Parish Council has sought the assistance of the local County Councillor and we are waiting for a response.

At the annual inspection of the play areas some of the equipment has been flagged as getting near it's end of life. The Parish Council is currently consulting with parents of young children on replacement equipment for the small play area.

There are a number of residents who carry out tasks to maintain and improve areas in the village. Many do not seek recognition for their hard work. On behalf of the Parish I would like to thank them for the work they do.

APM/18/03/03 Financial Report

The Clerk gave a report on the financial status of the Council.

APM/18/03/04 Parishioner's Questions
